

**TRANSFORMING
CLINICAL PRACTICE
initiative TCPI**

**“NNE PTN
Your partner for success
in Value Based Care”**

A Tri-State Collaborative Program
Managed by Maine Quality Counts in partnership
with Citizen's Health Initiative and the Vermont
Program for Quality in Health Care.

Rapidly Changing World of Provider Payment

- DHHS Secretary Burwell's historic announcement, Jan 2015:
 - Goal #1: Medicare provider payments from FFS to alternative payment models
 - 30% by 2016, 50% by 2018
 - Goal #2: Virtually all Medicare fee-for-service payments are tied to quality and value
 - At least 85% by 2016, 90% by 2018

A Tri-State Collaborative Program Managed by Maine Quality Counts

TCPI Goals:
Better Care, Healthier People, Smarter Spending, & Joy in Work

- 1** Support more than 140,000 clinicians in their practice transformation work
- 2** Improve health outcomes for millions of Medicare, Medicaid and CHIP beneficiaries and other patients
- 3** Reduce unnecessary hospitalizations for 5 million patients
- 4** Generate \$1 to \$4 billion in savings to the federal government and commercial payers
- 5** Sustain efficient care delivery by reducing unnecessary testing and procedures
- 6** Transition 75% of practices completing the program to participate in Alternative Payment Models
- 7** Build the evidence base on practice transformation so that effective solutions can be scaled

TCPI Structure: PTNs / SANs / QINs

- **29 Practice Transformation Networks (PTNs)**
 - Trusted partners with QI expertise, best practices, coaching, and assistance for clinical and operational practice transformation—network of federally funded resources to ready practices for change.
- **10 Support & Alignment Networks (SANs)**
 - Groups of professional associations and others that align their memberships, communication, channels, CME credits, MOC, and other work to support PTNs and clinical practices – many FREE resources available
- **14 Quality Improvement Networks (QINs)**
 - HealthCentric Advisors in CT, MA, ME, NH, RI, & VT

What's Included in Claims Report Suite

- Formal agreement with UNH Institute for Health Policy and Practice—Health Analytics & Informatics,
 - compare performance on quality, utilization & cost across health systems/regions.
 - Goal to provide analysis to NNE PTN participating sites on their populations, as well as in the context of regional and statewide populations.
 - Includes attribution for PC, BH & SC in works

https://nneptn.unh.edu/sites/default/files/NNE_PTIN%20Reporting%20Guide_201708_FINAL.pdf

6

How Suite is Used

- Each NNE-PTN participating organization has determined a single primary user account holder and has been assigned an Organization ID and Organization Key.
- Each organization will use their organization-specific log-in ID and key to access the site-level reports.
- All participating organizations will only have access to their own organization reports. They will be prevented from seeing the organization level analysis for the other participating organizations.
- All organizations will have access to the public level reports.
- NNE PTN reports data to CMS on NNE PTN success.

Measures Reported

Both Population & Comparison Views Available

- Inpatient Utilization
 - Rate of encounters per 1000 members
- Emergency Department (ED) Utilization for Acute and Sensitive Conditions
 - Percent of ED visits classified as acute and sensitive conditions
 - Rate of acute and sensitive conditions ED encounters per 1000 members
- Use of Imaging Studies for Low Back Pain-NQF 0052
- Health Partners Total Cost of Care
 - Total Cost of Care Population-Based PMPM Index-NQF 1604
 - Total Resource Use Population-based PMPM Index-NQF 1598
- Future Development
 - Plan all-Cause Readmissions- NQF 1768
 - Episode Treatment Group details for Inpatient, Readmissions, and ED measures

Timeline for Training

- In depth training with NNE PTN entire data team and Practice Facilitators (Yesterday 12-6-17 Maine, NH next week)
- On-line module in QC LMS available now!

<https://qclearninglab.org/course/nne-ptn-claims-data-report-suite-training/>

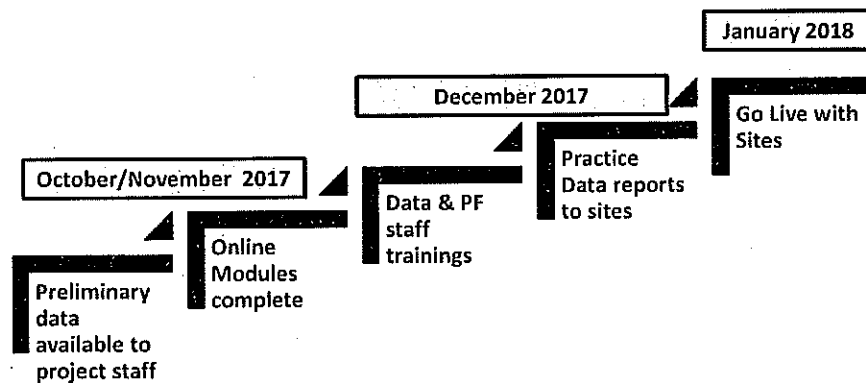

- Table of Contents
- Test Your Knowledge (Pre-Test)
- Unit 1: Introduction (Website, documents, credentials)
- Unit 2: Navigating the Report Suite (control center, report sections, page navigation)
- Unit 3: Member Characteristics (section and interpretation examples)
- Unit 4: Medical type of Service (section and interpretation examples)
- Unit 5: Chronic conditions (section and interpretation examples)
- Unit 6: Place of service and quality (section and interpretation examples)
- Unit 7: Treatment groups (section and interpretation examples)
- Course Wrap Up (Post-test, Evaluation Survey, and Completion Statement)
